

D.Manoj

About Me

Hello! I'm D.Manoj. I am passionate about skill development as an engineer. I am currently pursuing BE in AIML, I am a quick learner and a team worker that gets the job done. I have an startup PROJECTOO(projectoo.epizy.com) and also working on my personal project on renewable fuel.

I have created a movie website using html and css(it is available in my github repository).

Bio

 **Age**

20

 **Email**

mdd4258@gmail.com

 **Phone**

+91 9945654724

 **Address**

#5, amruthahalli, sahakarnagar post, bangalore, karnataka, India.

Professional Skills

HTML

ADVANCE

CSS

AVERAGE

C++, python basics

BEGINNER

Excel

AVERAGE

Strengths

To work under pressure, Smart worker, creative thinker, Team management, tackle technical problems .

Achievements

○ Fresher

I am enthusiastic to learn new things and explore more in coding.

○ Projects

- 1) Movie website
- 2) Obstacle sensing robot
- 3) CNC drawing machine
- 4) women safety device
- 5) Human following robot
- 6) sustainabel and renewable future fuel(Hydrogen)
- 7) worked on tello drone programing and piloting.

○ certifications

- 1) International conference on Nano composites for aerospace application.
- 2) Blood donation camp.
- 3) Manthan (FKCCI).

- 4) Intitute.
- 5) Creating own NFT platform (course completion)
